It was an evening of great cars, elegant jewelry, stylish home design, delectable food, fine wines and champagnes, a stunning Pebble Beach vista, a spectacular sunset and the wonderful people of the Monterey Peninsula. The annual Evening of Elegance, during the Concours d'Elegance week in Monterey, reminded everyone of what makes Pebble Beach and 17-Mile Drive so special. The place, the people, the parties. It was a night of beauty, elegance and style.
